Students Strive To Serve Friends Of The Fine Arts

Tuned in for happenings, the combined talents of two fine arts, choral music and drama, turned on a packed house at the musical **The Singing Freshman.** And to the marching beat, the band stepped in parades in the neighboring city of Norfolk. Concerts – winter and spring – refreshed the memory of the public of professionals in the making.

Through three chorus classes and two band classes, potential music masters grasped vocal and instrumental opportunities. Aspiring actors and actresses plied their trade in drama class, producing plays for English classes and acting as a springboard for the annual musical and forensic one-act play.

Four art classes gave budding artists a chance to create in clay, wire, paper, oils, charcoal, and water colors. Original masterpieces, displayed in the main hallway, drew envy of talent from students and visitors from the community.

Through art, drama, and music, four accomplished artists guided students in superb performances. In fine arts, 1969 was a year of Happenings.

Latin Language Added

Largest academic department in school! Most popular subject in school! Well, 1219 students take it! English, with thirty-eight sections and eleven teachers. Add Francais, with seven sections, two teachers; Espanol, with eight sections, two teachers; Deutsch, with four sections and one teacher; and Latin, with one section, one teacher. Voila! The Language Arts Department.

New to the curriculum is Latin, bringing total foreign languages to a number as high as any school in Chesapeake. Expectations encompassed a language lab, which did not materialize, and the continuance of the Resource Room, which did. The experienced teachers and six new teachers blended their efforts to make things happen in language. Classes in new grammar sounded just like a foreign language as its vocabulary challenged students to substitute linguistic terms for the traditional.

Acting careers budded; technical skills overcame difficulties; electronic classrooms buzzed with fluent tongues. Records, films, textbooks, pattern drills; library books, magazines – all evoked happenings in the department of language arts.

Vocational Educational Courses Total Sixteen

John Everett and Ralph Powers study a scaled down version of a model city.

Perfumed odors, greasy clothes, grimy nails, well-laid plans, pleasant aromas—all beckon to on-the-spot happenings in vocational-industrial courses. In the high school plant, six classes overflowed with hopeful craftsmen, home economists, draftsmen, and business men. Ten additional areas at the Chesapeake Technical Center bristled with aspiring cosmetologists, mechanics, horticulturalists, masons, practical nurses, electronic and refrigeration engineers, data processing experts, carpenters, and metal craftsmen. Nineteen teachers shared with students knowledge of theory and techniques, in many cases equipping students for a chosen career upon high school graduation.

Growing out of these classes, vocational and industrial clubs provided members unlimited opportunities for further growth in specific fields. Students in these courses had going for them the community as well, for business men formed advisory groups to aid teachers in offering what industry demanded. Vocational, industrial, technical—a vast choice of careers for students who begin work upon graduation and for those who go to college.

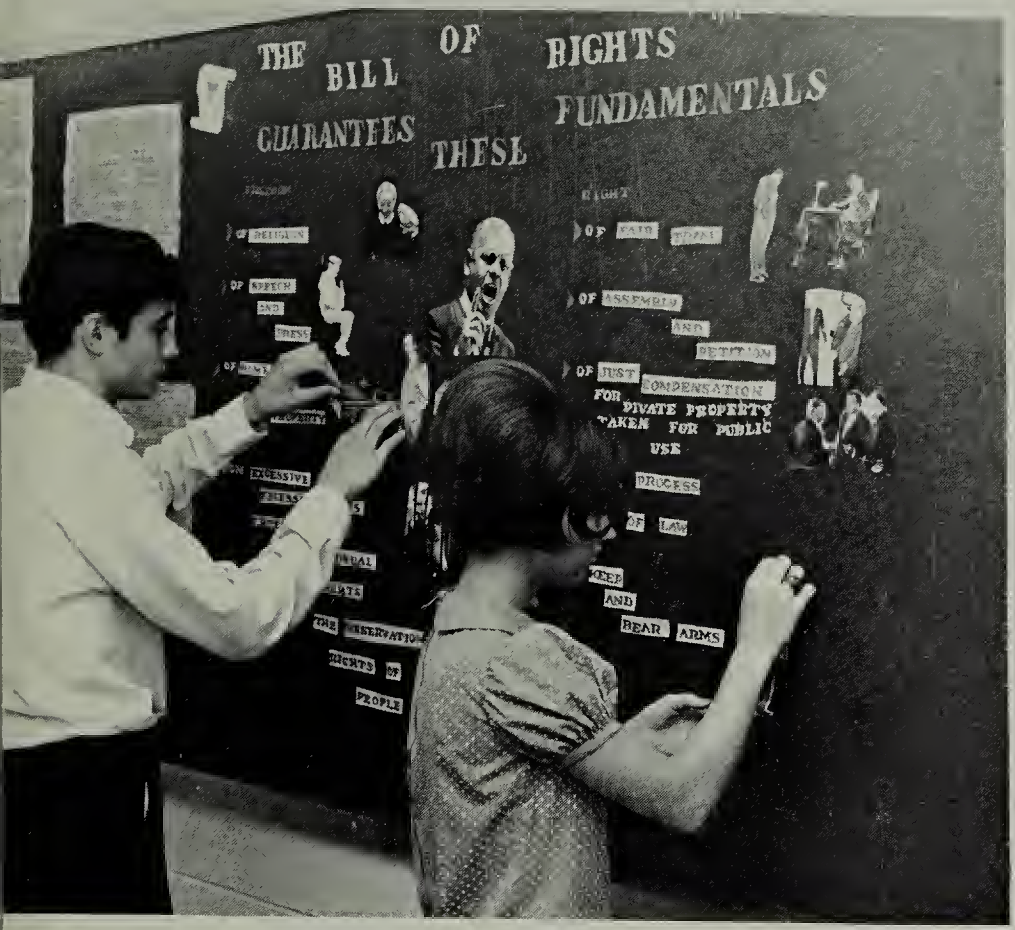
Social Studies Students

History has its quiet moments as well as its bloodshed, find Joann Whitehurst and Douval Sermons.



In government class, Christine White and Will Thrasher illustrate fundamental freedoms.

Encompassing the study of music, art, the theatre, and the self, humanities and psychology classes captured the world of social sciences. Paintings borrowed from the Chesapeake Public Library lent themselves to diverse interpretations by fifty-seven scholars of the Humanities. Museums, as far away as Washington, D. C. extended boundaries of the classroom as the study of the philosophical side of man unfolded to students. Knowledge of abnormalities broadened through an organized trip to the Eastern State Mental Hospital.

Heading the Social Studies Department, Mrs. Ida McKenney attended a week long conference in Washington during the month of November to update the courses offered to students. The department boasted eight teachers and six separate areas: Government, World History, World Geography, U. S. History, Humanities, and Psychology.

"The Hurrying Kind," a film shown under the auspices of the army, came to the student body via the social studies classes. The film was an eye-opener to students, especially those contemplating dropping out of school. Through history classes, students voted for the Presidential candidate of their choice in the S. C. A. mock election with Wallace winning, Nixon second and Humphrey third.

Careers Unlimited For Business Department

Business classes provide actual training in skilled subjects as well as an overview of the business field. With an ever-expanding interest in the business world, offerings of this department serve both the college student and the student who starts his career upon graduation.

General business, business math, bookkeeping, and business law acquaint the student with the world of business and its transactions. To acquire secretarial skills, typing and shorthand are definite requirements.

For the college bound student, in the curriculum is added a course in personal typing. In addition to one semester of personal typing, Gregg Notehand provides the future college student with a rapid method of taking notes.

Secretary, typist, bookkeeper, stenographer, accountant, payroll clerk, lawyer, office manager, executive, college student, or teacher — all are involved in business careers '69.

Calculus Taught Through TV

In a year filled with many new happenings in the math and science curriculums at Great Bridge High School, advanced mathematics encouraged students to explore the challenging realms of trigonometry, algebra, and calculus. An innovation in the math department, the calculus class was taught before school on closed circuit television at Great Bridge Elementary School.

In the Science Department, the use of test tubes and microscopes in experiments conducted in the biology, physical science, physics, and chemistry laboratories aroused the interest and curiosity of the students in the various fields of science. Experiments varied from dissecting frogs in biology to attempting to prove scientific theories in physics. The Math Department was headed by Mrs. Sue Overbey and the Science Department was headed by Mrs. Shirley Cahoon, both departments had a total of nine areas of study.

The Reserved Officers' Training Corps program was introduced under the instruction of Colonel Byrne. This program provided training in aerospace education. Students who participated in this program were furnished with military uniforms and were drilled in proper marching and saluting procedure.

No matter what course in science or mathematics he chose, a student was bound to stumble onto "a real happening."

Agility Aided By Exer-genie

In an era where so much emphasis is put on physical fitness, an amazing device known as the exer-genie, makes it possible for an individual to develop strength and flexibility simultaneously without time-consuming exercises. The Physical Education Department has purchased several exer-genies for use in classes. The exer-genie works on the principle of isolation; making it possible for a person to keep physically fit on an exercise program of only a few minutes each day.

Throughout the year, teamwork, sportsmanship, competition, and effort were prevalent as potential athletes participated in various sports. Football, basketball, tennis, and baseball were enjoyed by the boys' gym classes. The girls' gym classes learned to master the rules of field hockey, basketball, softball, and tennis. On days when the weather did not permit students outdoors, playing ping pong and jumping on the trampoline were enjoyed by the classes.

In the Physical Education Department, interest was also keen in students to achieve the coveted Presidential Physical Fitness Award. The tests that the students had to pass in order to attain this honor were administered in the fall and spring.

Queen Denise Hewitt Rules At Homecoming

Imaginations went wild as various clubs created their floats for the 1968-69 festivities. Childhood ideals reappeared in the making of the floats as "Fantasyland" prevailed as the theme. Out of the eight entries, first, second, and third place honors went to the Delta Tri-Hi-Y for "Alumni in Wonderland", Future Teachers of America for "Humpty Dumpty", and the Dorcas Tri-Hi-Y for the "Wizard of Oz", respectively. Honorable mentions were also cited.

The highlight of the evening was the crowning of the queen. Miss Denise Hewitt was chosen this year by the vote of the student body to reign over homecoming. Senior attendants of the court, Misses Carolyn Brackens and Bobbi Lane wore gowns of white satin trimmed with red ostrich feathers. Misses Patricia Cousineau and Carol Jackson were the junior attendants, wearing red satin gowns trimmed with luxurious white ostrich feathers.

Musical Great Success For Director And Cast

Deafening applause greeted the directors and cast of The Singing Freshman. Combined talents of Mrs. Claire Gendell, drama director, and musical director, Mrs. Eleanor Mitchell, paid off as they pruned, rehearsed, and polished the performance. The stage manager, Larry Aldrich; make-up artist, Patricia Clark; pianist, Martha Cross; and lighting manager, Larry Hackworth, slaved to make the production a professional one.

Adding to the success of the musical, Mike Root, John Leggett, Ray Dozier, and Gail Thompson rendered specialty numbers. Those with speaking parts and not mentioned elsewhere were Howard Brod, Winfred Culpeper, Randy Ferguson, Kevin Powell, Linda Davis, David Foster, Joe Bateman, Fleetwood Cuffee, and Tom Root. Chorus members were Linda Whitaker, Emily Parker, Carol Chittum, Alma Woodard, Joy Harrison, Pam Porter, Pat Hardison, Sue Hudson, Donna Totty, Rita Harrison, Charlotte Mosley, Cathy Sykes, Cindy Staack, Michael Bonner, Lee Hobbs, Rodney Clements, Mike Hearring, Ed Lohr, and Barry Debrow.

Majorettes were Patti Litchfield, Jean Parker, Joan Hudson, Karen Crawford, Sherry Griffin, Arlene Ballance, Garnett Whitehurst, and Sharon Walston. And the following made up the Behind-the-Scenes Committee: Brenda Alderman, Denale Sawyer, Alma Woodard, Helaine Chay, Tricia Cousineau, Patti Haynes, Russell Paulette, Macie Prentiss, Claudia Harlow, Daniel Carstens, Yvonne Liskey, and Joyce Cottle. Wildcat Marching Band Participates In Veterans' Parade

Director Robert Martin conducts the concert band.

Any day, any time—a most popular spot for Wildcat instrumentalists—the bustling band room. Unceasing activitiy—section rehearsals, practice, check-offs, practice, inspections, practice—paid off at snappy half-time performances at almost all of the football games and at two community concerts. But participation didn't stop there. In two parades, the Oyster Bowl and the Veterans' Day Parades, members of the band stepped to the rhythm of the marching beat. In the latter, the 'Cats were honored by being chosen to provide the music for the program following the parade.

Under the auspices of the director, Mr. Robert G. Martin, an exchange band idea was innovated. Great Bridge musicians paid a three-day visit to the band at Woodson High School in Fairfax, Virginia. During the visit they toured Washington, D.C., gave a concert, and were honored at a dance at the Moseby Room. In return, the Woodson band visited Great Bridge, at which time they enjoyed a beach outing, and toured The Hampton Roads area, and joined with the musical Wildcats in presenting the annual formal Spring Concert.

Last spring the band rated a second, playing Grade 6, the hardest music in the Spring Festival. In other competition, with fifty-one members trying out, eighteen members made the Regional, or All-State, Band. Those pleased musicians were: Mike Ruckle, John Mears, Karen Crawford, Carla Cahill, Pat Litchfield, Richard Kiff, Tom Root, Loran Carnifax, Arlene Ballance, Sharon Braatz, Penny Owen, Will Thrasher, Vernon Chilton, Charles Clemons, Larry Bateman, David Sawyer, Mark Pardue, and Bill Parker. Great Bridge had the second highest number from any one school in the area.

By request of the State Department of Music Education, an All-Chesapeake City Band was chosen this year to perform at a conference to be held at the Golden Triangle, in January. The Wildcat Band had eighteen of its members placed in this band, the highest of any band in the city. Those chosen were: Karen Crawford, Richard Kiff, Tom Root, Loran Carnifax, Mike Ruckle, Arlene Ballance, Vernon Chilton, Sharon Braatz, John Mears, William Thrasher, Larry Bateman, David Sawyer, Mark Pardue, Bill Parker, Charles Clemons, Billy Ratliff, Craig Tuthill, and Joan Hudson.

Percision marching, split-second timing, unique formations—an air of competitive excitement; evening gowns, dinner jackets, chamber music—an atmosphere of elegance. Pride! That is what the 1969 Wildcat Marching and Concert Band instilled in the student body of Great Bridge High School.

Choralettes Display Talents Through Community Events

Under new direction of Mrs. Eleanor Mitchell, the choral department has enjoyed a fresh and successful year. Mixed Chorus, A Capella Choir, the Girls' Chorus, and Choralettes presented a Christmas concert, "Songs of the Season," and a spring concert, in April. The Mixed Chorus participated in the annual Chesapeake Christmas Carol Sing and the Chesapeake Festival. A Capella Choir performed for the October CEA meeting and the school musical. The Choralettes, a special girls' ensemble, enchanted its audiences as it performed for the District ICT meeting, the Civitan Club, and churches in the community and surrounding Tidewater area.

The Choral Department was well represented at Regional and Workshop Concerts held at Lake Taylor. Choral students auditioned for a score high enough to attend All Regional. Students making All Regional were Carolyn Brackens, Cheryl Lowery, Lee Hobbs, Michael Hearring, Carol Chittum, Pat Hardison. Students making Workshop were Tempie Kessler, Robin Marcum, J. T. Jennings, Douglas Lane, Emily Parker, and Arlene Harrell. Twelve winners – a proud percentage!

Causeway Receives NPA First Place Honor Award

We did it again! We did it again! Another first place! For the third consecutive year The Causeway rated a first or medalist at The Columbia Scholastic Press Association held at Columbia University, New York. Adding laurels to laurels, for the second year, the yearbook rated a first place in competition at the National Scholastic Press Association held in Minneapolis, Minnesota. At Southern Interscholastic Press Association, held in Lexington, Virginia, the annual won a third place award. Students attending these conventions learned new trends in yearbook publishing and incorporated some of them in the treasured publication of Great Bridge High School. The staff, consisting of fourteen seniors and five juniors, began work long before school started. Months of preparation went into drawing layouts, composing copy and captions, and seeking financial assistance through advertising. Contents captured the victories and defeats of sports events, the smiles and tears of beauty pageants and homecoming, the pride of scholastic achievements . . . all the Happenings of the Great Bridge Wildcats 1968-1969!

Magazine Staff Wins SIPA First Place Rating

Offering a public view of original essays, poems and short stories, the Bridgetown Scroll inspires creativity in writing. Heading an efficient staff this year were Editor-in-Chief George Smith and a new adviser, Mrs. Jacqueline Lewis. Equalling editions of the the past was quite a challenge for the staff since the Bridgetown Scroll won a first place award at the Southern Interscholastic Press Association, in Lexington, Virginia, to which Peggy Determeyer was sent as a representative of the school magazine. Also, in the spring, Hal Schilbe received a superior rating for a short story in competition in the Virginia High School League. Another honor for the staff came with having three of its members, George Smith, Bonnie Crane and Peggy Determeyer, inducted into Quill and Scroll Literary Society. In achieving the success of the 1969 Bridgetown Scroll, the staff conducted a rousing and successful patron drive for magazine support.

SIPA Presents The Bridge With Honorable Award

"It's out! It's out! **The Bridge** is here!" Six times this cry rang out through the building. Readers relived happenings as they poured over the printed news – football, upsets, wins; homecoming surprises; senior doings, ring dance, court painting; attitudes, teachers', students'. With the assistance of a small staff from last year, Miss Jane Allen, new adviser of the newspaper, got the publication off the ground in November with a Thanksgiving issue. Although reporting problems appeared, solutions were found, as Miss Allen recruited cub reporters among underclassmen with the intention of total activity coverage throughout the school.

With an Achievement Award to their credit, from Southern Interscholastic Press Association, held in the spring at Washington and Lee University, Lexington, Virginia, members of **The Bridge** staff pressed on to achieve greater recognition in recording Wildcat happenings of 1968-69. Reporters not pictured were Diana Lambert, Barry Garlik, Bobby Oman, David Alderman, Debbie Parker, Rodney Clements, Felicia Doughty, J. T. Jennings, Doug Lane, Arlene Harrell, Charlotte Winborne, Linda Spicer, Patty Prentice, Jim Albert, Clifton Doxey, and Geary Broadnax.

Evenings Wild With Anxiety Await Expectant Graduates

On September 28, the senior social whirl began with the traditional Ring Dance. After receiving class rings, couples stepped through an arch of 1969, symbolizing seniority. Dennis and the Times rocked the group, though small it was, until eleven thirty – a time when even fewer remained. A flop? Maybe so, viewed in a class of two hundred eighty-five; but for those receiving coveted rings, the event was indeed a happening!

Mini-skirted girls and tuxedo clad boys added a touch of elegance to "A Touch of Elegance" as they served at a gala prom. With the Crystals beating out the rhythm to the brain, the sophisticated junior and senior Wildcats kept pace with the Monkey, the Horse, the Frug, and the Boogaloo. As a special tribute to the honored class, the Crystals played "My Girl," requested as "their song" by many of the seniors. The East Ballroom at the Golden Triangle of Norfolk held appropriate charm for the distinctive theme. Thought and labor of the Prom Steering Committee and the junior sponsors, Miss Helen Weeks and Mr. Clyde Haddock, afforded graduating seniors a momentous evening.

Tempie Kessler and Bruce Oyler walk triumphantly through the arch of '69.

Lynda Smith Reigns In Miss GB Pageant '68

Thirteen hopeful lasses, escorted by cadets from Frederick Military Academy, competed before a full house for the coveted title of Miss Great Bridge of 1968. Five semifinalists, Susan Bennett, Jean Parker, Lynda Smith, Gail Thompson, and Tempie Kessler awaited breathlessly for the voice of Ron Alexander, WVEC-TV, master of ceremonies. But someone had to be unlucky.

Judges—Mr. G. A. Treakle, Mayor of Chesapeake; Mrs. Wylke, from Charm Associates; Mr. Arthur A. Boothe, Jr., from John Powers Finishing School; and Mr. William L. Forbes, Chesapeake City Attorney; with music provided by Rosanne Ferrera—viewed the beauties in business suit, talent, and evening gown competition. And, finally—"The envelope, please. Second runner-up, Miss Jean Parker; First runner-up, Miss Tempie Jo Kessler; and Miss Great Bridge of 1968— Miss Lynda Smith!"

Thus "Misty Moonlight," another successful pageant staged by the Dorcas Tri-Hi-Y, ended.

Happenings abounded in forensics! Twenty students represented GB in debate tournaments, including Chesapeake Invitational, James Blair Novice, and Warwick. Placing first affirmative and negative in Eastern and Southeastern for the past three years, the teams strived to make it four in a row. One team won third place in Group 1-A in the State. Directed by Mr. A. T. Williams, debaters attended institutes at Universities of N. C. and Richmond.

In other forensic areas, Wildcats placed second in the district in five different categories – boys' prose, boys' and girls' poetry, girls' public speaking, and spelling. The one-act play, directed by the late Mr. T. T. Turner, won district honors and special distinction in State competition.

Office-Library Assistants Aid Faculty, Student Body

Request for an interview with a counselor . . . a "summons" to the office . . . a dreaded phone call when you thought you had the perfect alibi . . . a note for an overdue book . . . these and many other responsibilities make up the hour of the office and library assistant. Numerous tasks and routine chores completed by volunteer office and library assistants enabled the administration to carry out the more important duties that caused Great Bridge High School to operate smoothly throughout the year. Library assistants performed such tasks as operating audio-visual equipment — film and slide projectors for classroom use. These students located information and reshelved books upon return. Office assistants relieved the clerks by answering telephone calls, greeting callers, mimeographing materials, and distributing mail. Students ran off ditto copies of various memos for teachers and for office use. Running errands was a major duty carried out by students. The attendance office also made use of student help. They typed and distributed absentee lists, called homes of absentees, and filed for the office. Student assistants, examples of responsibility.

Playing host to the Southeastern District Societies, the Great Bridge chapter walked off with the district presidency. At the Parents' Banquet in the fall and the Senior Banquet in the spring, club members enjoyed giving due credit to parents and classmates. From proceeds from sale of candy at home basketball games, a senior received a scholarship and members held a spring dance.

Delta Wins First Place In Float Contest With Clubs

Delta initiated the new year under the leadership of LaDonna Hedge, President, with the guidance of Miss Judy Rice, Sponsor. Prosperous money-making projects for the year included a car wash and the selling of GB decals. Other activities were visiting various churches, participating in the Tri-Hi-Y fashion show and supporting an orphan in Thailand as a symbol of world service.

As a reward for hard work and long hours, the club placed first in the homecoming float competition with "Alumni in Wonderland" as the theme. Delta members gloried in playing in the Powder Puff football game but dreaded the grueling hours of vigorous practice in preparation for the black-and-blue experiences.

Delma Gets Ace Award For Community Service

Twenty-one members constituted a small but action-filled Delma Tri-Hi-Y. Participation in school and community activities promoted spirit and self-satisfaction within the club itself. The coveted Ace Award became a part of the club for another year. Sponsoring a Halloween Party at Kings Daughters Hospital and caroling at the Guardian Care Nursing Home were services rendered to the community. Other club projects were making directional signs for the school corridors, cleaning the business department typewriters, and giving a scholarship to a graduating senior. Selling ribbons for basketball games and selling "Friends of the Chesapeake Library" cards completed a successful year.

Dorcas Holds Miss Great Bridge Pageant, Tri-Cycle Derby

Shooting for five and a plaque, the Dorcas Tri-Hi-Y made its fourth ace award in as many years. Sponsoring a hilarious tri-cycle derby with student and faculty participation, one of its own members, Annette Wood, won the championship. The coming of spring brought the third successful annual Miss Great Bridge Pageant sponsored by the Dorcas. Visiting the local orphanage, attending the Model General Assembly, and providing food for a family at Thanksgiving brought to the members a feeling of pride. Having been postponed in the fall, the Powder Puff game in the spring gave the Dorcas its needed treasury to present a scholarship at graduation. The 1968 scholarship went to Robin Grant. Doria Rates Ace Award Through Service Efforts

Doria Dolls delved into active participation in concern for the Vietnam situation. The club sponsored a shoe box project for soldiers in Vietnam. Their concern did not stop here, however. They furthered the idea of worldwide service by sponsoring a bubblegum drive for children in Vietnam.

The club received highest recognition for services by being awarded the coveted Ace Award. Constructive projects as washing boards bi-monthly, and entertaining children at Maryview Hospital on Halloween explain the Doria's worthiness of the award. The diversive dolls also visited a nursing home, participated in homecoming festivities, provided a tea for alumni, and sold candy for the local YMCA.

Junior Civitan Wins Second Place Award At Convention

Service ... Service ... Service ... has become second nature to the Junior Civitan Club. Dedicated members made this statement fact by taking the second place award as the outstanding club of the year at the district convention. Cleaning up the stadium after games, assisting the Chesapeake Fair, Contributing $50.00 to the Humane Society, and donating $10.00 to the Doria to buy Kool-Aid and Jiffy Pop for the soldiers in Viet Nam won for the chapter the coveted award. Selling candy, safety flares, and popcorn at football games enable the Junior Civitan to support their chosen community projects and to enjoy a fun project, a Christmas Banquet.

Key Club Sponsors Book Drive For Peace Corps

At home and abroad . . . from the United States to the African shores . . . the Key Club made its mark. Sponsoring two new chapters, the club made its contribution to the area. But "right at home" its members ushered at school activities, sponsored a homecoming float, and sold drinks at home basketball games at Chesapeake College. Another at home project was looking into the possibility of enlarging the student parking lot.

Services bounded abroad with the successful drive for books for the Peace Corps, to be sent to countries in Africa. With a district governor and with an International Convention (at Montreal) delegate from its ranks, the Key Club's plans were unfailing.

Bible Members Visit Home

Happy times came again for many people in the area—especially for couples at the Home for the Aged on Cedar Road when the Bible Club members visited there. At Christmas time a family was a bit happier after the Bible Club helped with food and presents. The Mennonite Church invited the club to join them for Christmas caroling and on a hay-ride. A carwash at Pangle's Texaco Station and a doughnut sale at the Old Shopping Center were deemed successful. For the first time as a group members attended different area churches. It was a rewarding year for the Bible Club.

Bonnie Briggs, Beverly West Head A Successful GB VICA

Happenings seem to befall naturally upon the Vocational Industrial Clubs of America. The talented club won twelve individual honors, evincing the fact that they are preparing for future vocational endeavors.

Projects carried out were as varied as the vocational field itself. Long range projects included school and community assistance as well as a fund raising project. Educational activities carried out were planning a "Career in Industry and Technology Week" and a "National VICA Week." The club also took a trip to an industrial establishment, had students to appear before civic organizations and enjoyed an employer-employee banquet, and visitied other VICA clubs. Probably the most important club accomplishment, however, was the fervent participation in district and state conventions. The club proved its intense desire to learn more about the vocational and industrial fields by representatives placing significantly in district rallies and contests, regional contests, state conventions and regional conventions of the VICA organization.

DECA Students Make Plans For March As Club Month

Happenings came immediately to the Great Bridge Chapter of the Distributive Education Clubs of America in the fall as plans got under way for the year's projects. Contests and state conventions faced members preparing to top laurels of last year when Carey Philbrick won third place in the local sales display contest. Furthering success in their field, members gave a scholarship to a student continuing study in the business world. Candy sales to support the scholarship; DECA month activities, held in March; local and state contests, and the State Convention, held in Arlington, Virginia, proved a smashing success for these business-minded students and advisers.

French Club Members Clean Headsets In Language Labs

Sponsoring a bake sale and entering a float for the 1968 Homecoming were among the accomplishments of Le Circle de Francais last year. The French Club, composed of French students interested in promoting their ability in the language and increasing their knowledge of the country, elected as their president Brenda Griffin. The club chose as a service project the cleaning of headsets in the language lab, which are in continual use. Spanish Club Sponsors Annual Student-Faculty Athletic Event

From September 'til January, from January 'til June, Spanish Club members made their second language known throughout the hallways of Great Bridge High School. Pep signs in Spanish miraculously appeared on the walls before each sports event. This urging of school spirit wound up in the sponsoring of a rollicking, rip-roaring basketball game between students and the faculty, replete with cheering squads! Supporting the SCA, El Circulo de Espanol built a float for homecoming festivities. Lee Ball won the Senior Award, an honor presented by the club to one of its members. Under the leadership of president, Donnie Long and sponsor, Mr. Michael Betancourt, the members of the Chess Club challenged wits and skills of each other in a series of matches which make up inter-club tournaments resulting in increased understanding and knowledge of the game. The club also challenged other schools in tournaments. The Great Bridge team was defeated at the hands of Deep Creek, 5-0, and First Colonial, 3-2. Industry Invites Math And Science Club Membership

After combining forces of the Math and Science Clubs last year, the newly formed club has just begun to flourish as a fully organized club. The fields of math and science are so varied and interesting that members cannot help but learn and fulfill their interested minds. Most of the members were advanced in these two fields. Susan Coleman won a distinguished award for the best entomology project in the district fair. Geary Broadnax won a first place school prize in electronics and was the representative from Great Bridge at the district fair held at Lake Taylor High.

Rewarding activities included trips to various places such as the Chesapeake Planetarium, Old Dominion Electronics and Chemistry Lab, VEPCO Plant, Water Processing Plant, Ford and Coke Plants, and the Naval Shipyard.

FNA Gains Valuable Experience From Hospital Speakers

Potential nurses got a preview of their chosen career as they toured local hospitals and patterned a local girl. The tours provided vicarious experiences as the members of the Future Nurses of America watched routine hospital duties being carried out by teams of experts. Practical experiences came with the patterning of a young girl who had been striken with cerebral palsy. Guest speakers from schools of nursing in the area visited the club to give the members general knowledge of what the field of nursing entails. Naturally lacking "real" patients, the girls gave first aid to each other as they simulated broken arms and legs and held medical sessions on possible situations in which they practiced their newly acquired skills. A girl entering nursing took a giant step toward her profession as she became the recipient of a scholarship given by the club. At the annual banquet, held at the Holiday Inn at the end of the year, officers were elected for the ensuing year, providing more time to plan the services the Future Nurses of America will provide to the community.

District T Future Teachers Name GB As Best In Area

That was the year that was . . . a year of pride, a year of service; a year of sowing hard work, a year of reaping rewards; the Future Teachers of America–1969. The chapter prepared its leaders through observation of experience as they served as teacher helpers, and through participation as they carried out plans for the District T meeting and attended the convention in Roanoke. They also visited colleges and the demonstration school.

Pride came through service to other organizations in the school. Members patronized **The Bridgetown Scroll** and bought advertisement space in **The Causeway**. No educational stone remained unturned. During National Education Week, teachers were honored with a tea and the main bulletin board sported a reminder of the value of education. At the beginning of school, on evaluation day, and on Valentine's day, teachers received "snacks" and tokens of appreciation.

Future Teachers rendered further service by cleaning faculty lounges, building a homecoming float, sending books to the detention home, serving refreshments to the cast of **Babu**, and donating $25.00 to the Eley Scholarship Fund. At the end of the year the members honored their parents at a banquet and donated to the student scholarship fund. To finance these projects, pom-poms were sold for homecoming and used books were collected and sold for students. Club honors came at District T when the chapter was named the best in the area and Charlotte Warren was elected district vice-president. Indeed a year of service and honor!

Folk Music Club Supporters For Community Coffeehouse

Although the Folk Club may not have compared with some of the fashionable coffeehouses, it was successful in promoting interest in folk music among some of the students at Great Bridge High. Last year the Folk Club presented one of Great Bridge's firsts, "The Dating Game" – a fun-filled, surprise-packed thirty minutes of TV mimicking ending in a theatre date for three lucky couples. Another exciting happening was the Hootenanny which the Folk Club sponsored in conjunction with the SCA. Also, the club made available for its members to buy a song book with many of the familiar folk songs in it. The members worked toward two community projects, establishing a coffeehouse and starting a collection for a club record library. 1969 – a year of fun and folk music!

Thespians Present Productions To Drama, English Classes

Hallways resounded with rehearsals as practicing thespians coached each other in lines and gestures. With its "pool of actors and actresses," the Thespian Society acted as a mainstay for the annual musical and the forensic one-act play. With the new sponsor, Mrs. Claire Gendell, the group livened English classes and the drama class with several plays and monologues throughout the school year.

Monogram, Pep Groups Spark Sports With Spirit

With athletic achievement as the specific requirement for acceptance, the Monogram Club strived in the past year to promote good sportsmanship and to build better character through athletic competition. As president, Steve Jensen directed several money-making projects. Club members sold cushions at home football games, Wildcat decals and drinks at basketball games. Members proudly sported jackets bearing a Monogram Club insignia and the mighty green and gold.

Sponsored by Miss Susan Gardner, Pep Club put student focus on athletic events through pep posters and signs. The club promoted school spirit and made the student body aware of athletic contests with neighboring schools, through verbal and artistic talents.

Varsity Cheerleaders Merit Spirit Stick For Second Year

Great Bridge's distaff eleven indeed had something to cheer about after capturing two first places and one third in state-wide cheering competition. And for the second consecutive year the squad walked away with the coveted "Spirit Stick" awarded to the team for displaying the most spirit. Still, crowning that, the cheerleaders again placed second in the state in the overall judging.

Sporting new uniforms, megaphones, and pom-poms, the girls yelled, and smiled, and cried, and yelled through triumphs and defeats. Linking game spirit with the students, the cheering squad sponsored the green and gold Victory Chain, plastered the halls with pep posters, and worked with the Pep Club.

Where did happenings in school spirit generate in 1968-69? From these eleven loyal, vivacious, jumping Wildcats!

Come on, team, come on . . . yells Patricia Skinner.

A ring on the victory bell brings winning smile to Kathy Hodges.

Lounet Hunt demonstrates fine art of hand clapping.

Friday, September 13, proved an exciting season opener for spectators, as underdog, Wildcats lowered the boom on Cavaliers who were sporting a 17 game winning streak. The Wildcats took command of the game from the beginning after Lora Hinton sprinted 75 yards for a TD on the 'Cats' second play. Making PA pay, the mighty Wildcats roared on to score twice, once by Mickey Carey and once by Ronnie Chappell. Tight 'Cat defense shut out the Cavaliers until the fourth quarter, when PA made their only score.

Wildcats continued the winning streak by sinking the Admirals. Two TD's came in the fourth quarter; one on a yard plunge by Frankie Jennings and the other on an interception run of 50 yards by Steve Jensen.

Then the Tigers battled the Wildcats to a tie. Dominating the first half, the Wildcats scored two TD's, both on runs by Bobby Gregory before the Tigers came back to score late in the second period and again on the last play of the game.

With team momentum picking up, the 'Cats' defense and offense shined as they downed the Falcons. All the points came in the first half; on runs by Frankie Jennings and Bobby Gregory and on an interception by Ray Dozier.

Remaining undefeated, Wildcats crashed the Truckers, marking the 100th GB victory for Coach O'Brien, with Mickey Carey, Kenny Stuart, and Frankie Jennings scoring.

Homecoming brought a long night to fans as GB dropped the first game of the season to District Champion Presidents.

Again Great Bridge was overpowered as Deep Creek stung the Wildcats in an aerial battle. Then in a see-saw battle, the Wildcats in an offensive struggle upset the Kellam Knights, tied at the half. The third quarter was Kellam's; but the final period went to the 'Cats as they scored twice, the last one by Lora Hinton with only 44 seconds left in the game.

Great Bridge offense exploded again as the Wildcats rolled over their archrivals, the Indian River Braves. Lora Hinton led the scoring for the 'Cats with four touchdowns and Bobby Gregory and Carl East each added a touchdown.

On a rainy Thanksgiving Day, the Norview Pilots downed the Wildcats. Derek Robb, a first year rookie, kicked a field goal, the only one in the Southeastern District for the season.

The underestimated Wildcats compiled an impressive 6-3-1 record, closing a season in GB football history with Alton Geressey being named to the All-Tidewater team.

Guiding the varsity basketball team, Coach Martin Oliver began his first year as head of the Wildcat Five. After losing all but two lettermen of last year, Coach Oliver worked on rebuilding the Wildcats by playing many underclassmen. Returning lettermen Jim Murray and Olen Thomas served the team as co-captains. Junior Kenny Stuart and Senior Jimmy Murray led the scoring with an average of 11.9 points per game. Murray also led in the rebounding statistics with an average of eleven rebounds per game. The Wildcats featured a man-to-man defense with Olen Thomas and Mike Mundie as outstanding guards. Junior playmaker Paul Old and Sophomore Lora Hinton rounded out the regular starters for the Wildcats. Other juniors who saw action were Stan Eure, Larry Riddick, James Shirley, and Jonathan Davis. Caught in the midst of a rebuilding season and, therefore, seeing little action were Seniors Ray Conner, Mike Klepper, Connie Matthews, and Bucky Hodges. The Wildcats finished fifth in the district with a 6-12 season and opened in tournament play against Crestwood.

Individual Sportsmen Thrive On Tennis And Golf Teams

Once again the golf team acquired a new coach as Mr. Fred Hamrick took over the Wildcat golfers and directed them in a rewarding season. Returning on the team were John Lee, Mike Klepper, Ray Conner, John Reeves, and George East to focus the sportsman's eyes onto this individual sport.

Tennis again thrived under the coaching of Mr. Tom Stearns. Taking practically a completely new team, the coach built interest in this individual sport to a height never before enjoyed by Wildcat netters and enthusiastic spectators.

Returning this year to head the Wildcat matmen were Tri-Captains Kevin Powell, Brian Riggins, and Richard Rhodes. The rest of the team was composed of underclassmen who will help to strengthen next year's team. Coach Bob Broda, in his first year as Great Bridge wrestling coach, with the Tri-Captains helped the team develop their tactics. Juniors Alton Geressey and Barry Old led the Wildcats in individual competition. The highlight of the Wildcat wrestling season came when they defeated Frederick Military Academy 47-3. Following the close of the regular wrestling season, the District Tournament was held in which all Wildcat varsity wrestlers participated.

Senior Co-Captains Mike Mayo and Bobby Gregory led the Wildcat trackmen to a third place in District Indoor Track. Coaching the Wildcats in track was Coach Fred Hamrick who guided the team to success. This year's track team shattered many existing Wildcat records. Clearing 10' 9", junior Barry Old broke the old team record in the pole vault and Bobby Gregory surpassed the previous 500 yard dash. Phil Ruckle broke four existing Wildcat records in the long jump, triple jump, 50 yard low and high hurdles and 60 yard high hurdles. The two mile run record was broken by John Sykes to complete the individual records broken this year. One group record was broken by the quartet of Phil Ruckle, Mike Mayo, Fleetwood Cuffee, and Bobby Gregory in the mile relay. Leading the 'Cats in individual scoring were seniors Phil Ruckle and Bobby Gregory.

Come see the making of power

Vepco's first commercial atomic power station is now under construction in Surry County, Virginia. In the new Information Center overlooking the site, you will see an excellent slide presentation, fascinating exhibits, and a working model of the reactor. (And from the balcony, you can watch them assemble the real thing.) Open 10 AM to 4 PM Monday through Saturday and 1 PM to 6 PM on Sunday. For tour information call 771-3194 in Richmond.

Carol!
Hi! I can't
think of much to say!
It's been a fun year, though
you looked pretty cool in your
grass skirt. Wear it more often
next year. Maybe to Prom. Steering
meetings. Seriously, this has been a
great Sophomore Yr. Thanks
for the Christmas Dance; I
really enjoyed it. (Remember
Tessa & Marcia fighting?) The
Prom was so cool, and cleaning
up was such fun. See you
next year & this summer, &
everywhere
with a deep love,
Tom

Carol,
Take it easy this
Summer and keep your
bod out of trouble...keep
your mind clean and
your fun dirty!
As Always
R.V.C.

Carol,
you're always
keep you're
as they say
fed and in you
padded cell. Lots of Luck,
"Z" McGinley

Dear Carol,
It's really been
great knowing you. I
hope you and all the
people at Great Bridge
and in the class of '71" will
make Great Bridge the best.
I going to miss you and everyone
here. I wish you the best of luck
in all you do. Always remember
me. Well farewell. Maybe we will
run into each other later on. If
your ever in Chattanooga Tenn.
stop and see me

Love

Carol,
We've gone
through a lot together,
from one crisis to
another. Although a lot
of them weren't
funny, it's great
knowing there's
someone you can
depend on. Best of
luck with everything,
including Douglas,
but I don't think
you'll need it.
Debbie

Carol
It's been great
knowing you.
Hope you have a
real nice summer
and Good luck in
everything that you do.
Wanda.

Carol,
I'll never forget the
fun we've had this
year... In Gym and
Lunch. I hope your
summer is great
fun and please
don't break an arm
or leg. O.K.? I hope
to see you next
year (but not in Gym!)
Always,
Annie S.

Carol,
Yo a real sweet kid.
The Best of Luck
in the coming
Year. See ya next
year (I hope).
Best Wishes
always!
